### Countdown 2030 Europe marks midpoint to FP2020

Countdown 2030 Europe marked Family Planning 2020 midpoint - a pivotal moment since the 2012 London Summit on Family Planning - with series of events across Europe. Read all about successes and impact of our campaign in the publication [‘Europe Standing up for Advancement of Human Rights and Investment in Family Planning’](#)

See latest news from [Ireland](#) and [Finland](#) to get inspired by our latest videos advocating for access to family planning.

---

### Girls Count: ideas + investment = impact

Brussels based Countdown 2030 Europe partners actively participated in this year’s

edition of [European Week of Action for Girls](#) (Oct 10-15, 2016). Launched in front of the European Parliament with a giant game of “Snakes and Ladders”, it highlighted the impact of various policies – including access to family planning and modern contraceptive methods – on girls’ lives.

## **UPDATED - European country support for SRH/FP**

One of our core functions is to collect financial data on governments’ official development assistance for sexual and reproductive health and family planning. See our updated [Country Profiles](#) for detailed information on country policy and funding support for SRH/FP.
